

ViiV Healthcare ISS Video Portal Training

Total Time: Approximately 30 mins

The ViiV ISS operations team has provided four training videos which provide the basic information for an Investigator to access and use the portal for managing an ISS from proposal through the completion of all agreed deliverables for the study. The four available videos are listed below with links to the actual video content.

Title: *Part 1 - ViiV Healthcare ISS Portal - An Overview*

Description: This video provides an overview for investigators and their teams of the ViiV ISS portal and how the portal is used to manage Investigator Sponsored Studies (ISS). **(Time: 4 mins 45 seconds)**
